

Acrobatic Gymnastics Selection Procedures 2009-2010 Junior Olympic National Team

I. Overview

- A. Athletes may qualify for the Junior Olympic National Team (JONT) in one of two ways:
 - i. Finish with the highest total score at the 2009 Junior Olympic National Championships under the evaluation system identified in Section III. A below;
 - ii. Be selected by the Acrobatic Gymnastics Athlete Selection Committee from the 2009 Junior Olympic National Championships to be on the JONT as defined in Section III. B below;
- ~~B.~~ The selection of the athletes to the 2009-2010 JONT will be made by the Acrobatic Gymnastics Athlete Selection Committee from those pair/groups participating in Levels 8, 9, or 10 at the 2009 Acrobatic Gymnastics Junior Olympic National Championships.
- C. The maximum age for members of the JONT is 22. This age is determined by the athlete's competitive age in the year the JONT is selected.
- D. A minimum competition age of 7. This age is determined by the athlete's competitive age in the year the Junior Olympic National Team is selected.
- E. No more than a 10 year difference for WP, MP, MXP, and WG. A 12 year difference is acceptable for MG. Age difference is calculated from the youngest athlete to the oldest athlete in the pair or group.
- F. The composition of the JONT is determined to be a maximum of three pair/groups per event (Women's Pair, Men's Pair, Mixed Pair, Women's Group, and Men's Group) per level (Level 8, 9, or 10) plus five wild card positions. There will be no age group divisions within a level. The Athlete Selection Committee is not obligated to select pair/groups for all available positions.
 - i. Wild card placement - after the prescribed places in each event have been selected (maximum three), the Athlete Selection Committee has the right to select a maximum of five additional pair/groups among all levels and events to fill available wild card positions on the JONT. These pair/groups are members of JONT with all the rights and obligations of that membership.
 - ii. A maximum of two alternate pair/groups may be identified per level per event. Alternates are not members of the JONT. Alternates will be invited to become members of the team in the event of openings in the available team positions. Openings may occur if a pair/group named to the team becomes inactive by any one or multiple partners' retirement or otherwise leaving the pair/group or if the pair/group does not maintain a competitive level of 8 or above.
- G. An athlete may be named to the JONT in multiple events (i.e. Men's Pair and Men's Group). However, this athlete will not receive duplicate benefits. (Note: the FIG imposes restrictions in international competition regarding participation in multiple events.)
- H. Only athletes who are United States citizens may be named to the JONT. USA Gymnastics will verify citizenship before naming the team.
- I. Positions on the JONT do not carry ranking.
